FUR MUFFS FOR THE MEN ON THE FRONT

SOLDIERS ARE TO HAVE FEMININE COMFORT ACCORDING TO LATEST RULE

(By Associated Press.)
BERLIN, Nov. 18.—Fur muffs for soldiers are the latest recommendation of the versatile General von Buelow.

The recommendation is made in reply to an inquiry which the Tageblatt addressed to all the German army commanders, asking for suggestions as to the most appropriate Christmas gifts for soldiers at the front. Von Buelow replied that muffs would be very useful on the eastern fronts, to be used by men on duty in the trenches. Old and worn-out muffs, he adds, would be just as useful as brand-new ones. "There must be a cord attached," he explains, "so that we can hang the muffs round our necks."

Mackensen, from Serbia, asks for cocoa, chocolate, fat, and butter. Gallwitz replies only: "We don't want any wool; we are richly provided with that." Admiral von Koster urges against the sending of spirits or in fact alcoholic beverages. In fact, no spirits are asked for by any troops except the guards regiments, which want rum. The Crown Prince suggests light red wine and smoking materials.

Other commanders mention slippers, warm socks, handkerchiefs, candles, old carpets, tooth brushes, writing materials, and suspenders.

INDUSTRIES HURT BY PROLONGING OF WAR

(By Associated Press.)
GENEVA, Switzerland, Nov. 18.—Swiss railroad companies and hotel keepers are feeling severely the prolongation of the war. The tourist business has so dwindled that hotel keepers estimate their losses at \$100,000,000 while secondary railways (including the funiculars) reckon theirs at about one fourth of this sum, due to the loss of both passengers and freight traffic. The Swiss government is helping, as far as possible to alleviate the distress, but it has itself a great burden to support, and its state lines suffer from the diminution in transit traffic. The Swiss are cutting down expenses in public matters to a minimum, but if the war continues the outlook for Switzerland is black. In a large number of cases it even threatens bankruptcy.

IRISH LITERATURE LOSES BRIGHT LIGHT

(By Associated Press.)
LONDON, Nov. 18.—In the death of Standish O'Grady, which is announced from Hale, Cheshire, England, modern Irish literature loses one of its most brilliant representatives. As poet, essayist, and historian, O'Grady's work is generally regarded as the starting point of the so-called Celtic Renaissance.

O'Grady was in turn lawyer, journalist and author. He was a native of Tipperary and 60 years old.

EAGLES INCREASE IN SCOTTISH HIGHLANDS

(By Associated Press.)
LONDON, Nov. 18.—Owing to strict preservation, eagles are increasing rapidly in numbers among the Scottish Highlands and nearby islands. As many as five eagles have recently been seen at once in Sutherland, while in Archahtan, where none of the

birds had been seen for a generation, several have been observed within the past few weeks. In the Island of Rum the big birds are so numerous that they have repeatedly blundered into traps set for rats.

ATTACHMENT CLOSES SALOON

The Miner's Bar on Oddie avenue was closed this morning by Chief Evans on an attachment issuing out of the case of George Filipovich versus John Urkargovick.

The stamp of quality is as obvious on Kelly-Springfield Tires as it is on any other hand-made article of genuine worth. It is as inimitable, as unmistakable as the impress of good breeding on a man or woman. But

Kelly-Springfield

Tires are not made so carefully merely to give them an air of distinction; it is mileage that is built into them so slowly and painstakingly by hand. And judged by the acid test of actual mileage, Kelly-Springfield Tires are as good as they look. They are built up to a standard—not down to a price-list.
